### Ashes of some of our loved ones in our Cemetery

We are aware of the ashes of loved ones buried behind the cross whose names are not recorded in the cemetery. They are recorded in the memorial book in Church in the Holy Souls' Chapel if they are not on the slate at the back of the cross. We would like to know if relatives want to have the names of these loved ones on a new slate behind the cross. If so please write your name and telephone number and the name of the person whose ashes are buried there (or email us with this information) by the end of July and we will work out how best to respond.

### WORD OF LIFE

**Those who love me will be loved by my Father, and I will love them and reveal myself to them. (Jn 14:21)**

And this makes us love even more and deepens our relationship with our neighbours. This light, this loving knowledge of God is therefore the seal, the proof of true love. And we can experience it in various ways, because in each of us the light takes on a different colour, a particular shade. But it has common characteristics: it helps us to understand the will of God, it gives us peace, calm, and an ever new understanding of the Word of God. It's a warm light which encourages us to walk along the way of life with growing confidence and swiftness. When the shadows of our existence make our way unsure, when we even find ourselves blocked by the darkness, the Word of the Gospel will remind us that love makes the light shine and that a concrete act of love, however small ( a prayer, a smile, a word), will give us the glimmer we need to go on. *Full text of the Word of Life is available on the cupboards just outside the Piety Shop. Please help yourself.*
